CNHD Announces New Website and Regional Presence

Central Nebraska Housing Developers (CNHD) are proud to announce that they have launched a new website at www.cnhdhome.org, as an independent housing organization that provides housing development opportunities. As Central Nebraska's premier non-profit housing development organization, CNHD's volunteer board of directors and staff are committed to enhancing housing opportunities for the 17 counties we serve.

Visitors to this new website will find a similar look, but more information about available programs for residents and services to communities, fillable applications and checklists, area sponsors showcased, links to community partners that showcase their housing projects, and Success Stories that feature informational videos. CNHD is committed to sharing housing news and information on a regular basis through the new website, their monthly newsletter, Facebook and Twitter. Future website enhancements are planned to create a sense of one-stop shopping for citizens, counties, communities, and housing stakeholders.

"CNHD's goal is to bring State, Federal and Local funds together to improve and enhance housing for Central Nebraskans, through partnership development, strategic planning, grant writing, and grant administration," reports Mike Feeken, CNHD Chairperson.

"Central Nebraska Housing Developers is an essential partner for rural housing initiatives. They have been invaluable partners in efforts here in Valley County and that value has expanded with the launch of their new website: www.cnhdhome.org. At their new website, users can access a library of resources to find the right housing program for them. Whether a visitor to their website is a community leader, municipal employee or potential homeowner, the new website is full of useful, pertinent information and programs to build a stronger housing market in Central Nebraska. Having content and depth in a website is essential to the service provider community. CNHD has done a stellar job doing so with their website."

The Central Nebraska Housing Developers provides housing development services in the following counties: Blaine, Boyd, Brown, Cherry, Custer, Garfield, Greeley, Hamilton, Holt, Howard, Keya Paha, Loup, Merrick, Rock, Sherman, Valley and Wheeler.
